In order to obtain the Marriage License you will need to provide the following information for the patient on the date you appear in court.

Photo I.D.
Social Security Number
Full name of patient (first, middle and last)
Date of birth
State of birth
Occupation
Fathers first,middle and last name
Mother's first, middle and last name at birth (maiden name)
Any legal name change judgements

You must provide a letter from the patients attending physician stating that the patient is terminally ill. You will also need to provide the final signed divorce decree or a certified death certificate, which lists him/her as surviving spouse. If married more then once you will need to provide verbal information on that previous marriage. The information includes state and county of death or divorce, approximate date, name of former spouse.

You **MUST** have all this information at the time you apply for the marriage license. If this information is not available the marriage license **will not be issued.**
